PRODUCT DESCRIPTION

The Scanmax 15 CS is the color scan version of the Scanmax 15 mail scanner. It has a small cabinet to easily x ray postal scan letters and small packages. This version of the machine gives a clean color image of the contents in the machine on a 15 monitor with a 8x zoom. Its compact size allows it to sit on a standard table top, under a desk, or mailroom bench. Items as big as 12 x 16 can be screened. The machine works as fast as the user loads and unloads mail. The image of the mail is stored on the screen until the next x ray exposure is made. The user friendly front panel features a key switch, power on light, system ready light, x ray on light and an exposure switch x ray on to assist operator. A wheeled support stand and remote controls are optional.
